Forest School takes place in all weathers - at this time of year the weather can vary and it is best to have more clothing than required, so we advise the following:

A long sleeved cotton top to protect against brambles and nettles, a jumper or fleece , a pair of joggers or leggings and 2 pairs of socks. Pupils should come to school in their school shoes but will need Wellies or tough boots to change into. Sun cream and sun hats are also advisable.

If you have difficulty providing any of these items please inform your child's class teacher or the school office.

I am very pleased that we are now able to provide each child with a pair of waterproof dungarees and jacket to wear at each session too.

These sessions will complement your child's learning as well as being great fun.
