Information regarding Appeals for school places

We are delighted that you are considering a place for your child at our school. We understand that it is a huge decision on the part of any parent as to where they consider their child's educational needs would be best met. Lincolnshire County Council handles the Appeals process for our school and further information can be found by going to the following link.

By law, schools must abide by Infant Class Size rules for children in the Reception Year and Years 1 and 2. There may be some flexibility for children entering Years 3 to 6. We will always be happy to discuss individual circumstances and you can contact the school office on 01778 343119.

Thank you
