

Understanding the criteria for nearest school

For parents who wish to understand which is their nearest school, they can contact the customer service centre at LCC or email schooladmissions@lincolnshire.gov.uk If you would prefer to ask ourselves, we will contact the admissions team at LCC on your behalf to run a search on your address within their 'Synergy' system.

Please feel free to email the school on enquiriesWH@aspire.school or phone on 01778 343119

Thank you
