Year Four

This week in Year Four we have been looking at how remembrance is observed throughout the United Kingdom. We have had a discussion regarding why we remember soldiers who fought in wars and what the poppy represents. We have created our own watercolour wreath for our remembrance service on Friday, to be laid at the front of the school hall as a mark of respect for all those who have lost their lives fighting for our country.

Term 2 Value—Peace

This term, our school value is peace. We will be learning about this value through our worship sessions as well as lessons within the classroom. This is a particularly relevant value, with the unrest at present in The Ukraine and The Middle East. Our thoughts and prayers are very much with those living and working in these areas.

Talk to your children at home about this value. Are there ways they can show this in activities they are taking part in outside of school? Teachers would love to know about how the children are demonstrating this value both at home or in other settings!
