Term 4 Value—Hope

This term our value is hope. We will be exploring hope in lessons and through our worship. Through this value children will express and reflect on a range of their own and other peoples' hopes. Each class will look at a particular theme of hope - hope for ourselves, families, friendships, environment, fairness, the whole world and our futures. The children can decide what they would hope for and consider what they could do to help to realise their hopes. We would like to promote hope for positive things.

Talk to your children at home about this value. Are there ways they can show this in activities they are taking part in outside of school? Teachers would love to know about how the children are demonstrating this value both at home or in other settings!

Psalm 28:7

The Lord is my strength and my shield; my heart trusts in him, and he helps me. My heart leaps for joy, and with my song I praise him.
