

St. George's Church of England Primary School

4th November 2016

Dear Parents/Guardians,

As part of our study of the Christian belief and lifestyle, on Wednesday 16th November we plan to take the children in Year 3 to Saint George's Church, Stamford. The children will be walking, escorted by school staff, to and from the church, where they will learn about the church building and study points of interest in the church.

Children will leave school during the morning and will be back in school by lunch time. We will provide refreshments at the church of squash to drink, a biscuit and raisins.

Please ensure your child comes to school with a waterproof/warm coat as usual that day and hat and gloves in case of cold weather.

Yours sincerely

Mrs S Sutcliffe
Year 3 Teacher
