

Welcome to our school

Louis is going to show you around.

School gates open at 10 minutes to 9. Mums and Dads can help us put our coats and book bags away. We each have a peg to hang up our coat. The toilets are next to the classroom.

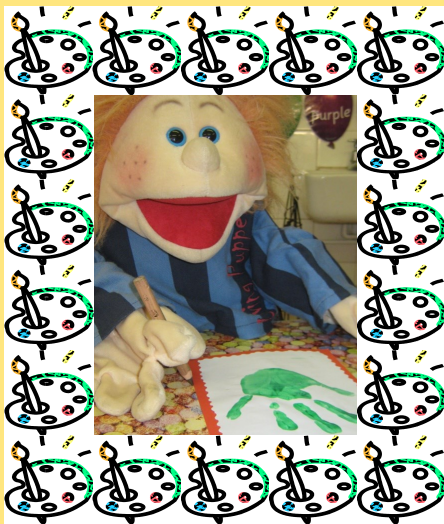

Our classroom has many exciting things to do.
Louis loves the reading corner in our classroom.
He also enjoys going to the school library.

Our listening station has lots of fun stories. It
helps us use technology for our learning.

We have a creative area which has many different things to use.

Painting is one of Louis favourite things to do.
He loves our painting easel.

We have computers in our classroom. Louis likes playing on the maths games. We can also play on the Interactive white board and our class iPads.

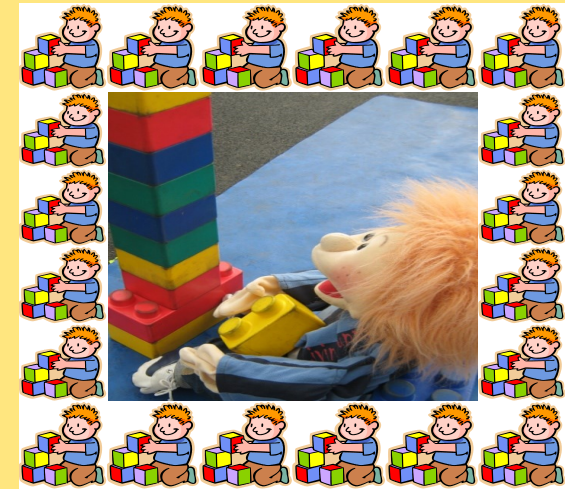

We have different musical instruments to play. We enjoy having whole group music sessions as well as playing in small groups or on our own.

We have two role play areas, one inside and one outside. We like thinking of different things to do with them. Here is Louis playing in the space rocket outside.

We like to build with our construction toys. We use our big blocks outside and like building towers.

We like writing, especially when we take the clipboards and note pads outside too.

We have many activities to do outside. We love riding in the cars, climbing on the trim trail and watering our lovely garden.

We eat our lunch in the hall and have our PE sessions here too.

Can you do any of these things?

Circle the picture when you can do these things.

I can put my coat
on by myself.

I can go to the
toilet by myself.

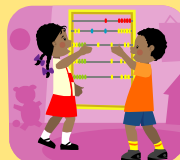

I can wash my hands
and dry them.

I can sit still and
listen to a story.

I can share with
a friend.

I can put on my
shoes.

In The Reception Class we learn through different topics each term. These may include

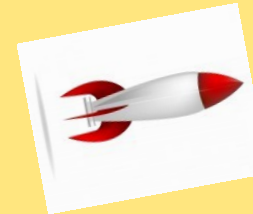

Traditional Tales

Sparkly Celebrations

Out of this world

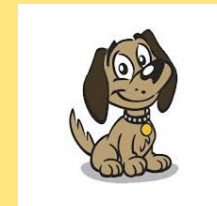

Spring in to life.

Superheroes

Amazing animals

At school we will be doing many fun things.

Learning numbers

Learning letter sounds

PE

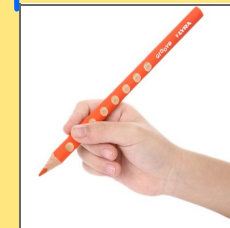

Listening to stories

Making friends and
taking turns

Learning how to
hold a pencil correctly

We are really looking
forward to meeting you, and hope you
enjoy our school as much as Louis does.
