

St. George's C of E Primary School

Sporting news

In June 2023 our current Year Five children attended the Mini Olympics at Grantham. Every school was allocated a country to represent and we were given the task to design and make a banner to take with us on the day. We represented China and won the banner competition for day two of the event. We would like to say a big well done to the children for all their work putting it together and to Mrs Greenfield who worked her magic to create the finished piece.

Netball

The netball team have been working together playing in the Stamford schools netball league. We would like to say well done to our team for all your hard work and determination that we have seen in the matches so far.

Good Work Awards—Week commencing Monday 2nd October

Congratulations to the following children, who were awarded Good Work Awards during Friday's worship:

Attendance

Congratulations to Year 3 who have won our Attendance trophy this week.

Please see below for a breakdown of attendance across the school.

Reception—98.50%

Year 1— 99.26

Year 2- 90.00

Year 3— 99.60

Year 4— 98.57

Year 5—98.80

Year 6—97.83

Please note that registration closes at 8:55am. Children arriving after this time will be marked as late and will miss out on key learning.

Harvest

Yesterday, we celebrated Harvest Festival at St. George's Church in town. We sang our new harvest songs with gusto as well as our old favourites. Reception class eagerly joined in singing their favourite song Big Red Combine Harvester to the rest of school. Key stage One sang Five a day and Mr Scarecrow with fantastic actions whilst year five and six read their own poems about harvest time. We explored how Harvest is the time when all foods that grow are ready and are collected or

harvested by the farmers. We learnt about how the wheat seed becomes the bread on our table and thanked God for our food at this special time of the year. Years Three and Four shared their prayers and Reverend Taylor pretended to be a farmer and explained the conditions needed for seeds to grow and how your faith can grow and flourish too. We gave thanks for the harvest and returned happily to school.
