### **Egyptian...**

Year 4 had a fantastic Egyptian day. They took part in the burial of a pharaoh where they had to prepare the mummy, sing, dance...

Children from KS2 and KS1 represented the school at Stamford Schools Spotlight Performance on Thursday evening. They have been learning their dance over the last 4 weeks and did an outstanding performance at the Corn Exchange. Well done to all our dancers.

**On Tuesday 6th February 2024, we celebrated Safer Internet Day. This special celebration takes place in February of each year to raise awareness of a safer and better internet for all, and especially for children and young people.**

**The internet can be an amazing place, full of knowledge, opportunities and fun! However, it is important we know how to protect ourselves and children from potential dangers. Did you know that some well-known social media platforms and apps have the rights to any pictures or information we post, and the ability to pass these on to other companies? Or that platforms with a consent age of 13 years old do so because they store our personal information?**

**To help protect your children, please visit this website for a much more user-friendly and simplified version of the terms and conditions of social media platforms: [Simplified social media terms and conditions for Facebook, Instagram, Snapchat, YouTube and WhatsApp](#). | [Children's Commissioner for England](#) ([childrenscommissioner.gov.uk](https://childrenscommissioner.gov.uk)).**

Year 5 used their creative videography skills to take part in a competition in partnership with Lincolnshire County Council and Lincolnshire Police. They worked in groups to create a video titled 'An Alien's Guide To Being Safe Online.' They all worked extremely hard and Lincolnshire County Council called their work 'fantastic'. One group (consisting of Megan, Martha, Brooke and Ivy) were shortlisted and had the exciting opportunity to visit Lincoln Museum for a premiere of the finalists! We are so proud to announce that the girls' video won third place out of over twenty schools that entered the competition and were presented with a trophy, certificate and a voucher for the school! Well done girls and to all of Year 5 – you have worked so hard!

### **Term 3 Value—Joy**

Our first school value for the new year is joy. We will be learning about this value through our worship sessions as well as lessons within the classroom. We will be exploring special celebrations, bible verses and hymns to find out more about how Jesus gives us joy in our lives. This is especially important to remember in the current economic crisis and with war happening abroad.

Talk to your children at home about this value. Are there ways they can show this in activities they are taking part in outside of school? Teachers would love to know about how the children are demonstrating this value both at home or in other settings!

John 8:12 Jesus said, "I am the light of the world. Whoever follows me will not walk in darkness but will have the light of life"
