Term 3 Value—Joy

Our first school value for the new year is joy. We will be learning about this value through our worship sessions as well as lessons within the classroom. We will be exploring special celebrations, bible verses and hymns to find out more about how Jesus gives us joy in our lives. This is especially important to remember in the current economic crisis and with war happening abroad.

Talk to your children at home about this value. Are there ways they can show this in activities they are taking part in outside of school? Teachers would love to know about how the children are demonstrating this value both at home or in other settings!

John 8:12 Jesus said, "I am the light of the world. Whoever follows me will not walk in darkness but will have the light of life"

This week in St. George's Learning Together our families went out to Forest School and explored the learning involved in outdoor play. They made some amazing dens and took the time to notice the environment around them.
