

'let your light shine!'

Maths This term will be completing our work on shape before working with money, recognising coins and practising our addition and subtraction skills. We will then move onto multiplication and division, learning the 2s, 5s and 10 times tables. We will then move on to measures: length, height, mass and capacity.

DT/ Art This term is Art and we will be looking at life in colour, using paint and mixed media to explore primary and secondary colours.

Geography/History In History, we will be investigating the question, How did we learn to fly? We will learn about individuals who have contributed to the history of flight.

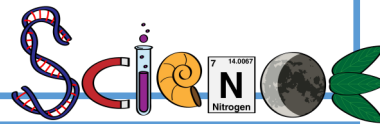

Music—Singing The children learn folk songs and create sounds to represent three contrasting landscapes: seaside, countryside and city.

Year 2 Spring Term 3 on a page

Science

This term year two will be learning about habitats. We will look at what habitats are and exploring different habitats from polar to desert.

Computing

We will be using Purple Mash to use spreadsheets, focusing on how to enter, organise, and manage data in rows and columns.

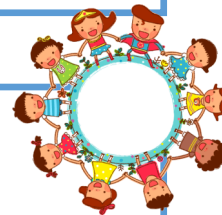

PE

This term's focus will be dance and sending and receiving.

PSHE - Dreams and Goals.

We will look at what it means to have a dream and a goal and how we can achieve it.

English

We will be focusing on some famous explorers including Charles Darwin and Sir David Attenborough. We will also be writing instructions to become a mighty explorer. Our grammar and spelling skills will be put to the test and constantly revisited.

RE

This term we will discuss our key question 'What do we mean by religions and worldviews?' We will look at this across the religions of Christianity, Judaism and Islam.

Important Notes

PE Day: Monday and Thursday.

Termly Value: Joy

Homework: Out on a Thursday and in the following Wednesday on Purple Mash.
